**EDUCATE. ENGAGE. ELEVATE.**

Women in Maritime Operations is an organization that provides educational and professional development opportunities, which enables women to learn and practice skills in a non-judgmental, supportive, and empowering environment.

We are dedicated to retaining, advancing, and promoting women in maritime operations through sharing knowledge and continuing education.

Our motto is: Educate.  
Engage. Elevate.

In October 2022, WIMOs expanded down the Texas Gulf Coast and started the **WIMOs Coastal Bend Chapter**. Although still a seed chapter, we are looking for volunteers to serve in leadership positions and to make this chapter official. Members reside between Port Lavaca to Port of Brownsville.
